

Free Health Insurance During and After Your Pregnancy

FAMIS MOMS and Medicaid for Pregnant Women provide complete health coverage for women when they are expecting a baby. Good health care during pregnancy is important for you and your baby. Getting early and regular prenatal care increases the likelihood of a healthy birth. Extended postpartum coverage for you is now available for one full year after the birth of your baby. Your health care coverage will continue during that time even if your income changes.

BENEFITS

FAMIS MOMS and Medicaid for pregnant women cover prenatal and childbirth services, plus much more. They provide complete health care coverage during pregnancy and for one full year after the end of the pregnancy. FAMIS MOMS and Medicaid also have special services for women with high-risk pregnancies. At the end of your extended postpartum period, you may still qualify for health coverage. With FAMIS MOMS and Medicaid for Pregnant Women, there are no enrollment fees or monthly premiums and there are no co-pays for pregnancy related services.
