It Is Important for All Eligible Virginians to Get and Stay Covered!

Unless members have died, moved from the state permanently, or asked to end their coverage, Virginia Medicaid will not cancel their coverage without first asking for updated information to check and make sure they are no longer eligible.

IMPORTANT NOTES:
Keep your eye out for any mail regarding your health care coverage so that you can return your information by the due date.

Even if you think you might not be able to keep your Medicaid health coverage, please return your information anyway so Virginia Medicaid can look at your case and send your full information to the Health Insurance Marketplace for a review.

If you do not return the information we need to review your case, we cannot automatically send your information to the Health Insurance Marketplace to check if you are eligible for other low-cost coverage or the Advanced Premium Tax Credits. You will have 90 days to return your information so we can review your coverage.
